Welcome to the Martin Court Community!

Congratulations on the purchase of your new home! Below you will find useful information to help you get settled. We hope you enjoy your new community.

Outline below is a summary of some common Rules and Regulations for the Martin Court Owners Association and Community. Please make sure you refer to the Deed Restrictions for full description of each restriction. You should have received a copy with your closing documents.

- Each Owner must comply strictly with the provisions of the Restrictions of the Community. Failure to comply with any of the Restrictions constitutes a violation and gives rise to a cause of action by the HOA.
- Each Owner is a member of the Association. There is only one (1) membership per lot despite the number of persons who may own the Lot. Each lot is allowed to cast one (1) vote during elections.
- All trash must be placed inside a covered waste container and waste container must be kept within enclosed structures or appropriately screened from view.
- No parking in the shared driveway at any time. Each single-family residential structure constructed within the Property must have sufficient space to house all vehicles kept on the Lot. Please ensure guests and visitors follow the regulations.
- Basketball Goals are prohibited from use in Common Areas of the community.
- No improvements will be constructed on any Lot without prior written approval of the HOA. Written approval from the Association is required prior to starting any projects. Make sure to refer to the Deed Restrictions prior to starting any projects or making any changes to your home.
- All pets must be confined to an enclosed space on the Owners Lot. No animal will be allowed to make an unreasonable amount of noise. No animal is allowed to run at large and all dogs must be leashed if outside the owner's lot. Pet owner is responsible for picking up pet waste.

There are several more restrictions included in the full document of the Declaration of Covenants, Conditions and Restrictions for Martin Court. Owners should make themselves familiar with this document.

If you have any questions regarding the above rules or the Deed Restrictions, please contact LLA Property Partners, HOA Management.

Sincerely,
Lori Anderson
