Payments Received	Adjustments	Current Charges
		Drainage Charge \$179.84

Drainage charges are calculated by multiplying the appropriate rate per square foot of impervious surface as specified in the city fee schedule by the total area in square feet of impervious surface on each benefitted property less a 1,000 square foot adjustment.

If you would like to dispute your drainage charge, you must submit a completed Drainage Verification and Correction form with supporting documentation. You may request this by logging into your online account or creating one. If you do not wish to create an online account, you may call Customer Account Services at (713) 371-1400 to have this form mailed to you.

You will be notified of the outcome of the Verification and Correction request. If you wish to dispute the Verification and Correction outcome, you may request a Drainage Appeal Hearing within fifteen (15) days from the date on the outcome notification by contacting Customer Account Services at (713) 371-1400.
