Subject: Package Expiration in 6 weeks

Dear Anne,

Your PCI compliance services are expiring soon and will expire on Oct. 2nd, 2025.

To validate you are handling payment card data securely and to avoid potential monthly fees, please renew your service.

Validating that your business is following the Payment Card Industry's Data Security Standard is a requirement from your merchant processor. Once your PCI services are renewed, you will continue to receive:

- PCI status reminders and updates
- Account access to your designated PCI Self-Assessment Questionnaire (SAQ)

-Quarterly vulnerability scans that investigate your network security (if applicable)

To ensure there is no lapse in your PCI compliance validation, we will attempt to automatically renew your services before your set expiration date.

Please let us know if you have any questions,

The SecurityMetrics Compliance Team
